Tell us the positions you've held at Heritage.

Director of construction, director of property

management and construction, and then chief operating

22

23

24

25

Q.

Α.

officer.

.

1	Q.	How long have you been chief operating officer?
2	Α.	Since June of hang on a second. '04. June of
3	'04.	
4	Q.	What's your educational background?
5	Α.	I have a Bachelor of Science Degree from Seton Hall
6	Universi	ty.
7	Q.	Before working at Heritage, where did you work?
8	Α.	I worked for Urban Retail Properties Company
9	Q.	For what
10	Α.	in Boston, based out of Chicago.
11	Q.	For what period of time?
12	Α.	From June of 1990 through October of 1999.
13	Q.	What was your job there?
14	Α.	I was assistant asset manager and asset manager for
15	Urban Re	tail Properties Company.
16	Q.	What was the nature of your involvement with
17	Mr. Alli	n's contract?
18		MR. VALANZOLA: Objection. Do you want to be
19		specific for a period of time.
20		MR. MARKHAM: Let me first just get a general sense
21		of it, and then we'll go into specifics.
22	Q.	Can you just describe in general what your
23	involvem	ent was.
24		MR. VALANZOLA: Objection. Go ahead.
25	Α.	Sure. I was first solicited by Snow Removal Company

1 in -- the contract was signed in what year, '04? In late 2 '03, early '04 by Mr. Vernon offering his services. I 3 thought it was something that we may be able to use, and so 4 we started talking to Mr. Vernon about the possibility of 5 utilizing his services for our company. 6 Before that occasion, were you familiar with 7 Mr. Vernon? 8 Not until he solicitied us, no. Α. 9 How did those discussions develop? I mean --Ο. 10 Α. Over time. 11 Can you give me a time frame when they reached a 12 critical mass more or less? Where it seemed as though 13 something could be worked out between the two of you. 14 MR. VALANZOLA: Objection. Go ahead. 15 I think we really started discussing pricing on 16 whether or not it would be feasible for us to look at 17 something -- a contract of this nature in May of '04. 18 At that point in time was Mr. Vernon giving you some 19 idea of what it would cost you? 20 MR. VALANZOLA: At what point in time, Craig? 21 MR. MARKHAM: May of '04 time frame. 22 I can't remember the specific time frame, but we had 23 sent Mr. Vernon all our site plans for our properties, and he 24 put together a price. 25 You don't recall the time frame for your receipt of

1 his price? 2 I don't recall the exact time frame for that. Q. Was Mr. Vernon the only person you were dealing 4 with? 5 There was another person from Snow Management, 6 someone that worked for Mr. Vernon, but I can't recall his name right now. 7 8 Ο. It was not Mr. Allin? 9 No. It was not Mr. Allin. 10 Q. Did you ever have any communications with him 11 directly? 12 Α. I think we -- we spoke once or twice. 13 Do you recall the circumstances of those Q. 14 discussions? 15 Α. Not particularly, no. 16 Do you recall what you talked about? Q. 17 Probably about -- probably about his company and his 18 possible service to our company. 19 Ο. Now, we've heard about this telephone conference 20 call sometime in early August 2004 involving Mr. Zicht. At 21 that point in time what was your understanding of the status 22 of negotiations with Snow Management Group? 23 MR. VALANZOLA: Objection. Go ahead. 2.4 We were still negotiating price and what properties Α. 2.5 may or may not be available for him to give us a proposal on.

Do you recall how far apart you may have been in 1 0. terms of the price? I -- I do recall Mr. Vernon's first submittal, 3 which -- which was significantly over our average snowfall, 4 and we were the ones that actually submitted pricing back to 5 him just giving him ideas of what our average snow falls 6 were -- actually, snow costs were for the last number of 7 years of the properties we were considering. 8 Can you place a time frame on that discussion? 9 I -- I would say it would be somewhere between May 10 and when we executed the contract. 11 12 At some point before the signing of the contract did 0. you or someone at Heritage begin telling your local operators 13 that Snow Management was going to be involved in managing the 14 15 removal operations? MR. VALANZOLA: Objection as to form. Go ahead. 16 I'm not sure when and if those conversations took 17 Α. 18 place. 19 So you're not even sure that that happened? Q. MR. VALANZOLA: That's what he answered. 20 MR. MARKHAM: I just want to make sure I'm clear on 21 22 that. MR. VALANZOLA: Unless you have something to add to 23 24 your last answer --

The only thing I'll add is, at the time we were

25

Α.

getting close to signing the contract, Snow Management and Mr. Vernon did not have anyone ready to go, and we had offered to give him the list of snow removal contractors that we had used in the past because he did not have anyone lined up to do the removal. So that is probably when the communication went from our regional and local property managers to the usual snow removal contractors that we were thinking of going through this method of removing snow.

- Q. Can you put a time frame on that communication?
- A. I can't put a time frame, but I can tell you up until the signing of the contract we did receive inquiries and concerns from our managers that no snow removal contractors were contacted. And we did not have, even after the signing of the contract, any communication from Snow Management that there had been anyone hired to do the work that they were hired to do.
 - Q. Was that a concern to you?
 - A. Yes, it is.

- Q. Did you communicate that concern to Snow Management?
- A. Yes, I did.
- Q. Do you recall what their response was?
 - A. They were working on it.
- Q. Before the contract was signed, did you ask them to get these people lined up?
 - A. I asked them to make sure that they were ready to

- fulfill the obligations under their contract, if we were going to go through with it and if they had the ability to do it.
- Q. What types of things would they have to do to get ready to perform the contract?
- A. Well, they would have -- they would have to entertain proposals or negotiate with subcontractors to perform the work. There was no equipment that was being supplied by Snow Management, they were doing all the work through subcontractors.
- Q. Do you know whether they were putting regional managers in place?
- A. How -- how they managed the services was their -- was up to them.
- Q. Did they indicate to you that that's how they were going to do it?
- A. They may have. But again, up until and when we signed the contract, we had received no correspondence on any of -- who any of those people were.
- Q. Before the contract was signed, did you have discussions concerning hiring the operators -- did you have discussions along those lines with Mr. Allin's company?
 - A. I'm not sure I understand "the operators".
- Q. It was a poorly worded question. Let me take a shot at it again. Before the contract was signed, did you speak

1 with Mr. Vernon about the need for him to get people lined up 2 to do the work? 3 I think the only discussions we had was that when we 4 signed the contract I was concerned that he'd have everyone 5 lined up to do the work. 6 0. Can you put a time frame on those discussions with 7 him? Α. Probably prior to signing the contract. Ο. Can you give me the month that you had those 10 discussions? 11 Α. I really don't know if I could pin it down. 12 Could it have been in the summertime? Q. 13 Α. I doubt it. We were -- we were still negotiating 14 price and whether or not it would be feasible for us to do 15 this work in the summertime. 16 Were you the person who was mainly involved in 17 negotiating the terms of the contract? 18 MR. VALANZOLA: Objection. Yes. As far as the business terms. 19 Α. 20 Was there someone else involved in other terms? Q. 21 Mr. Zicht was involved in putting the contract Α. 22 together. 23 0. Anyone else? 24 I don't think there was anyone else from our 25 company.

When you received inquiries from the local operators 1 about the status of things for the upcoming season, what did 3 you tell them? I --Α. 5 MR. VALANZOLA: Objection. You can answer. 6 I didn't receive those inquiries. Α. 7 Who did? Q. 8 Α. The local property managers. Those inquiries somehow worked their way back to 9 Q. 10 you? 11 Α. No. 12 How did you become aware of them? Ο. 13 Well, the regional managers would tell me. Α. 14 And --Q. 15 But the specific vendors themselves did not call me. Α. 16 And these managers, are they Heritage employees? Q. 17 Α. Yes. Do you know what these managers were telling the 18 Ο. people who were making the inquiries? 19 20 Α. I'm not sure. Did you provide the managers with any instructions 21 22 or direction of what should be told to these people? 23 I'm trying to recall. We might have told them that 24 we're trying to work on a different procedure and processing 2.5 the --

MR. VALANZOLA: Only if you know. Not what you 1 might have told them. Only if you know. I don't recall matter of fact, no. 3 Α. 4 I'm going to try to show you a copy of an e-mail Ο. 5 from your office. Can you make that out? 6 MR. VALANZOLA: Still a little fuzzy, and it's 7 cutting off the two ends. 8 Α. You can't see the whole thing. 9 MR. MARKHAM: The margins on the side are cut off? 10 Can you zoom out. Α. 11 MR. VALANZOLA: You got it all. 12 (Discussion held off the record.) 13 Can you read it? Q. I think we might be able to read it. 14 Α. 15 Q. I'm looking at the e-mail dated August 3, 2004 from 16 you to a number of different people. 17 Α. Okay. 18 Can you tell me the context of this e-mail, what's 19 going on. 20 MR. VALANZOLA: Can he have the benefit of 21 reading -- is there more to this document below 22 what we're reading? 23 MR. MARKHAM: Let me push it up. MR. VALANZOLA: Is that the entire document? 24 25 MR. MARKHAM: Let me turn it over and check.

only thing that appears after that is his signature 1 line. Whose signature line? 3 Α. Yours. Well, it's not a signature. It's just an 4 Q. identifying line, name, address, phone number. 5 6 MR. VALANZOLA: Can you just move it over. 7 indent that's on the -- move it over to the indent 8 that's on the right just a little bit. Right 9 there. Go back just a little bit. You're cutting 10 the margins off. Can I read it? 11 Α. 12 Can you? Q. 13 Hang on a second. Α. 14 Take your time. Q. 15 I read it. Α. 16 Can you recall what was going on at that point in Q. 17 time? 18 Sure. Snow Management needed to know what actually 19 they were -- needed to do at each of the properties, so the 20 managers were asked to put together any particular 21 circumstances regarding the properties so Snow Removal would 22 have a complete understanding on what they were bidding on. 23 Do you recall whether you would have taken any notes 24 in regards to the conference call identified in this e-mail?

I can't remember if I did or not. Most of my stuff

25

Α.

- I purge once we complete a contract. All I really have in my file is the completed contract.
- Q. In the first sentence of the e-mail you ask that the managers prepare any information on the sites as to 24-hour operations or any special snow handling requirements so Snow Management can be fully prepared. What were you referring to there when you say, "fully prepared"?
- A. Well, they need to be fully prepared in order to execute the work that needed to be done and to bid on the work. Some of our properties have supermarkets that are open 24 hours a day. Some of our properties have restrictions on where snow can be piled, if it can be piled, if it can be removed. Snow Management did not go out to see these properties, so they were relying on all the work that we did to put on the plans that we sent them.
- Q. At the bottom of this e-mail -- can you still see the bottom?
 - A. Yeah.

- MR. VALANZOLA: We see down to 131 Diamond Street, Boston, Mass.
- Q. Let me move it up then. I want to ask you about the message -- or the communication at the very bottom which is addressed to --
 - MR. VALANZOLA: It's cut off at the right, Craig.
- MR. MARKHAM: How's that?

1 MR. VALANZOLA: It's okay. It's just fuzzy. 2 This is addressed to Jeff. I'm assuming Jeff Ο. 3 Vernon. Can you read it? Α. I'm trying to read it right now. 5 MR. VALANZOLA: Why don't you read it to us. 6 might be easier for us to read it if you're reading 7 it. "Jeff, again please provide references as well as Q. please provide any financial information regarding the 10 company for our review. We want to make sure and feel 11 comfortable that Snow Management will be able to live up to 12 their obligations to us to remove the snow given we have a 13 fixed cost contract. You can forward this info to Lou 14 Zicht." 15 Α. Okay. 16 Do you know if Heritage received the information 17 requested here? 18 Well, since I asked him to forward it to Lou Zicht, 19 I think that would have been a question you should have asked 20 Lou. 21 By that, I take it you don't know? Ο. 22 I don't know for sure, no. Α. 23 Do you recall seeing any financial information 24 relating to Mr. Allin or Snow Management before the contract 25 was signed?

1 Α. I don't recall receiving -- seeing any information 2 from Snow Management regarding their company. 3 Did you receive any information from any other 4 source? 5 Α. Yes. 6 Ο. What source was that? 7 We received a report that we requested from Dunn & 8 and Bradstreet. 9 Ο. Was this requested before the contract was signed? 10 Α. Yes. 11 Q. Was it received by you before the contract was 12 signed? 13 Α. I saw it before the contract was signed. 14 Did the information in that report create any Q. 15 concerns for you? 16 Α. There was --17 MR. VALANZOLA: Objection. Go ahead. 18 There was very, very little information in the 19 report on Snow Management. 20 Did you ask Mr. Zicht if he had received the 21 information you had requested? 22 I can't recall. Α. 23 Ο. Other than the Dunn & Bradstreet report, do you 24 recall any other information which you may have received 25 about Snow Management Group or Mr. Allin before the contract

1	was signed?
2	MR. VALANZOLA: Objection. You can answer.
3	A. I don't recall receiving any other financial
4	information regarding Snow Management.
5	MR. MARKHAM: I'll mark this e-mail as an exhibit
6	so it'll be attached to the transcript also.
7	MR. VALANZOLA: Is there additional information
8	above the part we're looking at? Not below, but
9	above. So we have the benefit of seeing the entire
10	document.
11	MR. MARKHAM: Sure. I'll pull it down, hang on.
12	Can you see the top?
13	MR. VALANZOLA: You've gone down too far. Could
14	you bring it down that's it. A little bit more.
15	If you can focus it now so we can read what that
16	says.
17	MR. MARKHAM: How's that?
18	MR. VALANZOLA: I can't make it out.
19	MR. MARKHAM: Let me try something. Is that making
20	it better?
21	MR. VALANZOLA: No. Worse. Keep going. Little
22	more.
23	THE WITNESS: No.
24	MR. VALANZOLA: Back.
25	MR. MARKHAM: Is it better now?

1 MR. VALANZOLA: No. It's terrible. 2 MR. MARKHAM: I can read to you what appears above 3 that message of August 3rd. At the very top the name Mary Russell appears. It's an e-mail from her 5 to Jeff Vernon. And really all it contains is the 6 names "Home Depot, CVS, New Plan - Mike Doud," 7 D-O-U-D, "Westfield - Pat." That's what appears 8 above Mr. Prendergast's e-mail. 9 MR. VALANZOLA: Okay. Thank you. 10 With regard to the time frame of before the contract 11 was signed, are you aware of any work undertaken by Snow 12 Management Group to get ready for the snow season? 13 MR. VALANZOLA: Objection. You can answer. 14 A. No. 15 Q. After the contract was signed, looking at that time 16 frame, are you aware of any work undertaken by Snow 17 Management to get ready to perform under the contract? 18 MR. VALANZOLA: Again, objection as to form. 19 can answer. 20 Α. Can you tell me what you mean by "work". 21 Q. I mean it in the very broadest sense. Any 22 activities, undertakings, endeavors, anything in the broadest 23 sense of the word "work". 24 Α. They probably mailed a couple of letters. 25 Q. Again, I don't want you to necessarily guess or

speculate. I just want to know what you're aware of of having occurred. Are you aware of them sending a couple letters?

- A. Well, again, I'm speculating. You asked me in the broadest sense of the word did they do any work. What does that mean? They could have done letters. They could have not done anything. I do not know anything specific that they were doing under their contract.
- Q. As an example, you mentioned before hearing from the regional managers from the plow operators before the contract was signed. Did you hear anything, as an example, from them after the contract was signed indicating we have a contract with Snow Management or they're out here submitting requests for proposals, things of that nature?
 - MR. VALANZOLA: I'll object as to form. I'll object as to I'm not sure he said what you said in the beginning part of that question. And if he understands the question, I'll allow him to answer it.
- A. I believe I heard from some of our regional managers that Snow Management was in contact with some of our incumbent snow removal contractors, but at that point that's all I know.
- Q. Do you know whether or not Snow Management Group actually hired its own regional managers to perform under the

contract? 1 2 MR. VALANZOLA: Objection. Go ahead. 3 Α. I'm not sure. 4 Did you have any discussions with Mr. Vernon, before Ο. 5 the contract was signed, about the contract provision dealing 6 with termination? 7 I don't recall if I did or not. 8 Did you have any input into the language used in the Q. contract regarding termination? And this is the language in 10 Paragraph 17. 11 MR. VALANZOLA: Objection. You can answer. 12 Α. I honestly can't remember if I had any input in that 13 I was mostly dealing with the business terms. 14 Before the contract was signed, did you have any Ο. 15 discussions with Mr. Zicht about the meaning of that 16 provision of the contract? Paragraph 17. 17 I can't recall. Α. 18 At some point after the contract was signed, did you 19 receive information that raised an issue about Snow 20 Management's ability to perform? 21 MR. VALANZOLA: Objection. You can answer. 22 Α. Can you just clarify what you mean by "perform". 23 Satisfy the obligations of the contract. Ο. 24 Of what contract? Α. 25 Q. The contract that was signed between your company

1 and Mr. Allin. 2 MR. VALANZOLA: You're talking about a period of 3 the execution of the contract? MR. MARKHAM: Yes. 5 Α. So is your question after we --6 MR. VALANZOLA: If you don't understand the 7 question, tell him you don't understand the 8 question. Let him rephrase it. Don't do that for 9 him. Do you understand the question? MR. MARKHAM: Let me rephrase it. 10 11 MR. VALANZOLA: Just say you don't understand the 12 question. 13 Α. I don't understand it. 14 MR. VALANZOLA: Please try again, Craig. 15 Α. I don't mean to be difficult. I'm not really sure 16 what you're -- I'm not really sure what you're asking. 17 That's fine. At any point you're not sure what I'm 18 asking, let me know and I'll try again. 19 After this I don't plan to run for Supreme Court 20 Justice either. 21 Let me try again. After the contract was signed, Q. 22 did you become aware of any information that raised a concern 23 for you about the ability of Mr. Allin to perform under this 24 contract? 25 MR. VALANZOLA: Objection. Go ahead.

1 Yes, I did, but it was -- it was not particularly Α. 2 Mr. Allin. It was Snow Management. And unless you're using 3 Mr. Allin and Snow Management as one and the same, information I received was regarding Snow Management. 5 What was your understanding of the relationship Q. 6 between Mr. Allin and Snow Management? 7 It's my understanding that Mr. Allin owned Snow Α. 8 Management. 9 What was the information you received about Snow 10 Management after the contract was signed? 11 We received information that they were unable to pay 12 their subcontractors who had performed work -- snow removal 1.3 work for them during the previous year. 14 Did this information come in the form of a letter or Ο. 15 two? 16 Yes. Α. 17 Did it come in any other form? I mean, like 18 conversation or e-mail or anything like that? 19 I -- I can't remember. I know there is -- there's 20 paper with writing on it about, you know, Snow Management 21 doesn't pay their contractors, and you should be aware of 22 what you're getting into. Something to that nature. I don't 23 know if those are the exact words.

Do you know where that came from?

24

25

Q.

Α.

No, I don't.

1 Do you know how it was received? Was it mailed? Ο. 2 Dropped off? Handed to somebody? 3 I don't recall. That's what I said, I don't 4 remember if it was e-mail or -- I just remember it being on a 5 piece of paper. 6 0. Do you know if anyone at Heritage looked into it 7 beyond reading what was on the piece of paper? 8 MR. VALANZOLA: Objection. You can answer. 9 Α. I know someone did. 10 Q. Who was that? 11 Α. I can't be sure. 12 Q. Was this an investigation directed by you? 13 MR. VALANZOLA: Objection. Go ahead. 14 Α. I don't know if it was directed by me, but I know 15 someone in our company -- after we received it, we had a 16 discussion that we should look in to see if these -- if --17 what was going on, if anything, with Snow Management. 18 Ο. Do you know when you received the letters? 19 Α. I can't be sure. I don't think they're dated. 20 Do you know if they came straight to you or did 0. 21 someone else receive them? 22 I don't know. I -- I can't remember if it was in my Α. 23 mailbox or it might have been delivered to someone else who 24 brought it to me. 25 Do you know what was done at Heritage to investigate Q.

1 the issue further? 2 MR. VALANZOLA: Objection. You can answer. 3 I can't -- I don't remember or recall exactly how we 4 were able -- how we looked up the information, but we were 5 able to determine that Snow Removal was out looking to be 6 recapitalized because they had outstanding debts that were 7 owed to their subcontractors. 8 Is that information in a report of some kind or 9 memo? 10 Yes. It's in -- it's in some form of -- it's on a 11 piece of paper. I don't know if it's a memo or attachment, 12 but I know it's on a piece of paper. 13 Q. Is this piece of paper generated by someone at 14 Heritage, or again, is this something that was received by 15 Heritage? 16 It's a piece of paper that we obtained somehow. 17 doesn't have our name on it, it's not an internal memo. It's 18 a piece of paper that -- again, it could have been pulled 19 from a web site or somewhere else, I can't remember. But it 20 wasn't a Heritage letterhead. 21 Ο. Do you know if there are any internal Heritage memos 22 dealing with the issue of Snow Management's financial

- condition?

 MR. VALANZOLA: Objection. You can answer.
 - A. Not that I recall.

23

24

1 Q. Do you know if anyone at Heritage communicated with 2 Snow Management, Mr. Vernon or Mr. Allin, about this 3 particular issue of the financial difficulties they were 4 having? 5 MR. VALANZOLA: Again, same objection as to form. 6 You can answer. 7 Α. I believe I spoke to Mr. Vernon about it. 8 0. Do you recall when that was? 9 I would say it was between the time we signed the Α. 10 contract and the time we terminated them. 11 0. So it was before the termination? 12 I -- I believe so. It was either -- I think it was Α. 13 before the termination. 14 Q. This was a telephone call? 15 Α. I believe so. 16 What was said in the call? Q. Why didn't you tell us you were having these issues. 17 18 If you refer back to the e-mail that you put up there, on 19 August 3rd, one of our concerns that we had was the ability 20 of Snow Management to perform. One of those obligations to 21 perform is to pay your subcontractors. If you don't pay your 22 subcontractors, Heritage is in jeopardy of having liens filed

against it for moneys not being paid, and it could put us in

probably the last thing you want to do is be brought to task

severe financial hardship. And as a public company that's

23

2.4

- for hiring a company with -- without -- with -- who doesn't have the ability to pay their subcontractors and puts the company in peril.
 - Q. What did Mr. Vernon say to this?

- A. He said that they were working on a way to fix it.
- Q. Did he explain fix what? What was he fixing?
- A. They were working on a way to fix the debts and -that they owed to the subcontractors by this capital
 revitalization.
- Q. Do you remember anything else being said during that call?
- A. I think I was upset because he didn't tell us the truth about what was happening. Because, if you remember, again in that same August 3rd e-mail, we had asked for information directly from Mr. Vernon regarding the financial condition of his company. And that is -- that is paramount to his financial condition, and he didn't disclose it to us.
- Q. You don't know if you received anything from him before the contract, do you?
- A. Again, I didn't. Those things were asked to go to Lou Zicht, and Lou Zicht apparently did not receive anything from him either.
 - Q. Is that what he told you?
- A. No. I just said I assumed he didn't receive anything either.

1	Q. Well, in this call what did Mr. Vernon say to that?
2	A. To what?
3	MR. VALANZOLA: To what?
4	Q. When you raised the point that you didn't think he
5	was being honest or forthcoming with you.
6	MR. VALANZOLA: Objection. Go ahead.
7	A. I really don't recall what his answer was.
8	Q. Do you recall anything else that was said during
9	that call?
10	A. No. If I remember, it was not it was not a very
11	long call.
12	Q. Did you have any communication with him after that?
13	A. I don't believe so. Because I think their I
14	think I communicated to him well, I communicated to him
15	after we sent the termination letter that any further
16	communications go through our attorney, Ed VALANZOLA.
17	Q. I imagine after that you didn't have any
18	communications then with anyone else from Snow Management
19	Group?
20	MR. VALANZOLA: Objection. Go ahead.
21	A. I don't believe I did.
22	MR. MARKHAM: Mr. Prendergast, that's all the
23	questions I have for you today.
24	MR. VALANZOLA: Thank you. We have no questions.
25	MR. MARKHAM: We'll terminate.

To: Bush, Mark; Read, William; Wellman, Tom; Zicht, Louis C.; Jeffrey Vernon (E-mail); Lisa Edwards (E-mail)

Pursuant to our conference call yesterday with snow management please have your managers start to prepare any information on the sites as to 24 hour operations or any special snow handling requirements so snow mgmt can be fully prepared. As well please have your managers compile a list of any current vendors snow management should speak to regarding possible continuing services and anyone you feel they should not entertain proposals from due to past history.

Remember the regions that we have not included in this contract will be:

Florida (for obvious reasons)

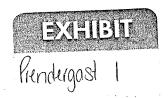

Texas St. Louis Kentucky Kansas Michigan Souteast Tennessee 535 Boylston Street, Boston, MA 545 Boylston Street, Boston, MA 131 Dartmouth Street, Boston, MA

Mark Bush will be forwarding you the list of regions and properties with addresses.

Jeff,

Again please provide references and as well please provide any financial information regarding the company for our review. We want to make sure and fell comfortable that Snow Management will be able to live up to their obligations to us to remove the snow given we have a fixed cost contract. You can forward this info to Lou Zicht.

Thanks,
